*Fair Work Act 2009*  
s.185—Enterprise agreement

**The State of Victoria (Acting through its Servant who, for the purposes of this Agreement, is the relevant public service body head in the agency in which the employee is employed)**  
(AG2024/2648)

## VICTORIAN PUBLIC SERVICE ENTERPRISE AGREEMENT 2024

State and Territory government administration

DEPUTY PRESIDENT O'NEILL

MELBOURNE, 12 AUGUST 2024

*Application for approval of the Victorian Public Service Enterprise Agreement 2024*

[1] An application has been made for approval of an enterprise agreement known as the *Victorian Public Service Enterprise Agreement 2024* (the Agreement). The application was made pursuant to s.185 of the *Fair Work Act 2009* (the Act). It has been made by the State of Victoria (acting through its servant who, for the purposes of this Agreement, is the relevant public service body head in the agency in which the employee is employed). The Agreement is a single enterprise agreement.

[2] I am satisfied that each of the requirements of ss.186, 187 and 188 as are relevant to this application for approval have been met.

[3] Pursuant to s.205A(2) of the Act, the workplace delegates' rights term prescribed by the *Victorian Public Service Award 2016* is taken to be a term of the Agreement.

[4] The Australian Nursing and Midwifery Federation (ANMF), the Community and Public Sector Union (CPSU) and the Association of Professional Engineers, Scientists and Managers, Australia (APESMA) being the bargaining representatives for the Agreement, have given notice under s.183 of the Act that they want the Agreement to cover them. In accordance with s.201(2) I note that the Agreement covers the organisations. The ANMF and CPSU support approval of the Agreement. The CPSU is of the view that the Agreement passes the better off overall test.

[5] The Agreement is approved and, in accordance with s.54 of the Act, will operate from 19 August 2024. The nominal expiry date of the Agreement is 9 April 2028.

### *Variation*

[6] A Form F1 was simultaneously lodged with the Agreement, which sought to vary provisions of the Agreement pursuant to sections 217 and 218A of the Act (the Form).

[7] The Form highlighted errors within the Agreement that had been identified by the Applicant in a tracked changes version of the Agreement, attached as Attachment B(F1) to the Form. The amendments are also set out in Q2.2 of the Form and summarised in Attachment A(F1).

[8] On 29 July 2024, my chambers wrote to the bargaining representatives to seek their views on the amendments sought. No response was received from any bargaining representatives.

[9] I am satisfied that s.217 and s.218A applies to the variations at paragraph 7 of this Decision.

### *Section 217*

[10] Section 217 of the Act provides that the Commission ‘*may vary an enterprise agreement to remove an ambiguity or uncertainty*’ on application. The employer (as defined) is a person entitled to make such an application. The principles applicable to an application under s.217 were considered by the Full Court of the Federal Court in *Bianco Walling Pty Ltd v Construction, Forestry, Maritime, Mining and Energy Union*<sup>1</sup> (*Bianco*).

[11] It is not necessary to set out those principles in detail. It is sufficient to note that the existence of a relevant ambiguity or uncertainty is a jurisdictional fact required as a precondition to the exercise of the power.<sup>2</sup> The terms “ambiguity” and “uncertainty” are not synonymous, although there is some relationship between their meaning.<sup>3</sup>

“... There may, for example, be uncertainty in an

enterprise agreement even when its terms are not ambiguous. The uncertainty may arise from the application of the unambiguous terms to a given set of circumstances. The distinction between patent ambiguity (linguistic ambiguity) and latent ambiguity (ambiguity in application) provides an illustration by analogy...”<sup>4</sup>

[12] It is not necessary to interpret or construe an enterprise agreement for the purpose of s.217. “A provision may be ambiguous even though it is capable of interpretation”.<sup>5</sup> The ambiguity may be apparent on the face of the document or may become apparent only when

<sup>3</sup> *Bianco*, [67].

<sup>4</sup> *Bianco*, [75].

<sup>5</sup> *Bianco*, [67].

extrinsic evidence is adduced.<sup>6</sup> Any established ‘common intention’ of parties concerning the impugned provision can be considered.<sup>7</sup>

[13] As s.217 makes clear, if the jurisdictional requirements are met, the Commission “may” (not must) vary the agreement. Whether to exercise its discretion to vary the agreement will necessarily depend upon the circumstances of the matter.

[14] In the Form, the Applicant seeks to vary clauses 31.4(a)(ii) and 49.4(a)(i) pursuant to s.217 of the Act. The Applicant submits clauses 31.4(a)(ii) and 49.4(a)(i), which address eligibility requirements for progression or top of grade or value range payment and leave entitlements for employees in receipt of workers compensation payments respectively, are required to be amended to remove ambiguity and to clarify clauses to reflect the intent of the parties during bargaining. The Applicant submits that the proposed amendments and corrections are supported by the CPSU.

[15] In the circumstances, I am satisfied that the proposed variations address ambiguity and uncertainty within the Agreement. The variations have the support of the CPSU. No employee bargaining representatives have indicated opposition and there are not matters of which I am aware which would weigh against the exercise of my discretion to vary the Agreement in the manner proposed. The Agreement will be amended as per the Order at the end of this Decision.

#### ***Section 218A***

[16] Section 218A, which came into effect on 7 December 2022 as part of the reforms contained within the *Fair Work Legislation Amendment (Secure Jobs, Better Pay) Act 2022*, provides for the variation of enterprise agreements to correct or amend an obvious error, defect or irregularity:

“(1) The FWC may vary an enterprise agreement to correct or amend an obvious error, defect or irregularity (whether in substance or form).

(2) The FWC may vary an enterprise agreement under subsection (1);

(a) on its own initiative; or

(b) on application by any of the following:

(i) one or more of the employers covered by the agreement;

(ii) an employee covered by the agreement;

(iii) an employee organisation covered by the agreement.

(3) If the FWC varies an enterprise agreement under subsection (1), the variation operates from the day specified in the decision to vary the agreement.”

---

<sup>6</sup> *Bianco*, [67].

<sup>7</sup> *Bianco*, [68].

[17] As has been noted in recent decisions of the Commission,<sup>8</sup> s.218A of the Act is akin to the slip rule found in s.602 of the Act, which allows the Commission to correct or amend an obvious error, defect or irregularity (whether in substance or form) in relation to a decision of the Commission. The evident purpose of s.218A is to remove complexity associated with varying enterprise agreements containing obvious errors, defects or irregularities by simplifying the process by which corrections may be made.

[18] Before an amendment under s.218A can be made, there first must be satisfaction of the existence of an obvious error, defect or irregularity (whether in substance or form). Upon the finding of such an error, defect or irregularity, the Commission may, not must, vary the enterprise agreement. The power to vary should only be exercised to the extent necessary to remove the error, defect or irregularity.

[19] The Applicant submits that the amendments at clauses 29.7(b)(i), 31.8(d), Schedule G, Clause 1 and Appendix 4, Part 3 Clause 20.7, seek to address typographical errors and drafting errors resulting from replicating irrelevant text. The Applicant submits that the proposed amendments and corrections are supported by the CPSU.

[20] I am satisfied that the typographical and drafting errors referred to above are obvious errors. I am satisfied the amendments should be made, and that it is appropriate to do so by varying the Agreement pursuant to s.218A of the Act. The variations have the support of the CPSU. No employee bargaining representatives have indicated opposition to the variations proposed. In the present case, the errors are readily identified, as are the corrections needed to make the Agreement accurately reflect what was clearly intended. There are no reasons not to exercise my discretion and good reasons to do so. The errors identified above, will be amended as per the order below.

**Order**

- 6.8** A dispute or grievance that is being considered pursuant to **clause 13** of the *Victorian Public Service Enterprise Agreement 2020* at the time this Agreement commences operation may continue to be considered pursuant to **clause 13** of this Agreement.

- 9.4** The Employer must ensure that the terms of the individual flexibility arrangement:
- (a)** are about permitted matters under section 172 of the FW Act; and
  - (b)** are not unlawful terms under section 194 of the FW Act; and
  - (c)** result in the Employee being better off overall than the Employee would be if no arrangement was made.
- 9.5** The Employer must ensure that an individual flexibility arrangement is in writing and signed by the Employee and Employer. If the Employee is under 18, the arrangement must also be signed by a parent or guardian of the Employee.
- 9.6** The Employer must give a copy of the individual flexibility arrangement to the Employee within 14 days after it is agreed to.
- 9.7** The Employer must ensure that any individual flexibility arrangement sets out:
- (a)** which terms of this Agreement will be affected or varied by the individual flexibility arrangement; and

- (b) how the individual flexibility arrangement will vary or affect the terms of this Agreement; and
- (c) how the Employee will be better off overall in relation to the terms and conditions of their employment as a result of the individual flexibility arrangement; and
- (d) the day on which the individual flexibility arrangement commences; and
- (e) provides for the individual flexibility arrangement to be terminated:
  - (i) by either the Employee or Employer giving a specific period of written notice, with the specified period being not more than 28 days; and
  - (ii) at any time by written agreement between the Employee and Employer.

## 10. Flexible Working Arrangements – Specific Circumstances

**10.1** Section 65 of the FW Act provides that an Employee may request a change in their working arrangements in any of the following circumstances:

- (a) the Employee is pregnant;
- (b) the Employee is the parent, or has responsibility for the care, of a Child who is of school age or younger; or
- (c) the Employee is a carer (within the meaning of the *Carer Recognition Act 2010*); or
- (d) the Employee has a disability; or
- (e) the Employee is 55 or older; or
- (f) the Employee is experiencing family violence; or
- (g) the Employee provides care or support to a member of the Employee’s Immediate Family, or a member of the Employee’s household, who requires care or support because the member is experiencing family violence.

**Note:** Examples of changes in working arrangements include changes in hours of work, changes in patterns of work and changes in location of work.

**10.2** To avoid doubt, and without limiting **clause 10.1**, an Employee may request to work part-time to assist the Employee to care for the Child if the Employee:

- (a) is a parent, or has responsibility for the care, of a Child; and
- (b) is returning to work after taking leave in relation to the birth or adoption of the Child.

**10.3** A casual Employee is not entitled to make a request under this clause unless the Employee:

- (a) is a Regular Casual Employee of the Employer immediately before making the request; and
- (b) has a reasonable expectation of continuing employment by the Employer on a regular and systematic basis.

## Victorian Public Service Enterprise Agreement 2024

- 10.4** A request made under this clause must be made in writing and set out details of the change sought and the reasons for the change.
- 10.5** Before responding to a request, the Employer must discuss the request with the Employee and genuinely try to reach agreement on a change in working arrangements that will reasonably accommodate the Employee's circumstances having regards to:
- (a)** the needs of the Employee arising from their circumstances; and
  - (b)** the consequences for the Employee if changes in working arrangements are not made; and
  - (c)** any reasonable business grounds for refusing the request.
- 10.6** On receipt of a request by an Employee under this clause, the Employer must give the Employee a written response within 21 days. The response must:
- (a)** state that the Employer grants the request; or
  - (b)** if, following discussion between the Employer and the Employee, the Employer and the Employee agree to a change to the Employee's working arrangements that differs from that set out in the request--set out the agreed change; or
  - (c)** state that the Employer refuses the request and include:
    - (i)** the details of the reasons for the refusal
    - (ii)** the particular business grounds for refusing the request (see **clause 10.8** below),
    - (iii)** explain how those grounds apply to the request,
    - (iv)** either set out the change (other than the requested change) to the Employee's working arrangements that could be accommodated or state there are no such changes that can be made, and
    - (v)** set out the Employee's ability to dispute the decision to refuse the request, per sections 65B and 65C of the FW Act.
- 10.7** The Employer may only refuse the request if the Employer has discussed the request with the Employee, and genuinely tried to reach agreement about changes to the Employee's working arrangements having regard to the consequences of the refusal for the Employee, and the refusal is on reasonable business grounds.
- 10.8** Without limiting what are reasonable business grounds for the purposes of **clause 10.7**, reasonable business grounds include any of the following:
- (a)** that the new working arrangements requested by the Employee would be too costly for the Employer; or
  - (b)** that there is no capacity to change the working arrangements of other Employees, or recruit new Employees, to accommodate the new working arrangements requested by the Employee; or
  - (c)** that it would be impractical to change the working arrangements of other Employees, or recruit new Employees, to accommodate the new working arrangements requested by the Employee; or

**Victorian Public Service Enterprise Agreement 2024**

- (d)** that the new working arrangements requested by the Employee would be likely to result in a significant loss in efficiency or productivity; or
- (e)** that the new working arrangements requested by the employee would be likely to have a significant negative impact on customer service.

**10.9** If the Employer and Employee reached an agreement under **clause 10.6** on a change in working arrangements that differs from that initially requested by the Employee, the Employer must provide the Employee with a written response to their request setting out the agreed change or changes in working arrangements.

## Part 3 Communication, Consultation and Dispute Resolution

### 11. Implementation of Change

- 11.1 Where the Employer has developed a proposal for major change likely to have a significant effect on Employees, such as a restructure of the workplace, the introduction of new technology or changes to existing work practices of Employees, the Employer will advise the relevant Employees and the relevant Union covered by this Agreement of:
- (a) the proposed change as soon as practicable after the proposal has been made; and
  - (b) measures the employer is taking to avert or mitigate the adverse effect of the change on the employees; and
  - (c) the likely effects on the Employees' working conditions and responsibilities; and
  - (d) the rationale and intended benefits of any change, including improvements to productivity, if applicable.
- 11.2 For the purpose of this clause, a major change is *likely to have a significant effect on Employees* if it results in:
- (a) the termination of the employment of Employees; or
  - (b) major change to the composition, operation or size of the Employer's workforce or to the skills required of Employees; or
  - (c) the elimination or diminution of job opportunities (including opportunities for promotion or tenure); or
  - (d) the alteration of hours of work; or
  - (e) the need to retrain Employees; or
  - (f) the need to relocate Employees to another workplace; or
  - (g) the restructuring of jobs.
- 11.3 **Clause 11.2(f)** is subject to the rights and obligations set out in **clause 21** (Usual Place or Places of Work).
- 11.4 **Relevant Employees** means the Employees who may be affected by a change referred to in **clause 11.1**.
- 11.5 Relevant Employees may appoint a representative for the purposes of the procedures in this clause.
- 11.6 Consistent with **clause 11.1** and subject to the other requirements of this clause, the relevant Union has a right to be consulted under this clause. There is no requirement for the relevant Union to be appointed or identified by a relevant Employee for the requirement to be consulted to apply, subject to the other requirements of this clause.
- 11.7 Where:

## Victorian Public Service Enterprise Agreement 2024

- (a) a Relevant Employee appoints, or Relevant Employees appoint, a representative for the purposes of consultation; and
- (b) the Employee or Employees advise the Employer of the identity of the representative,

the Employer must recognise the representative.

**11.8** The Employer will:

- (a) provide in writing all relevant information about the change including:
  - (i) the nature of the change proposed, and
  - (ii) information about the expected effects of the change on the employees and
  - (iii) any other matters likely to affect the employees.
- (b) regularly consult with Relevant Employees and the relevant Union covered by this Agreement; and
- (c) give prompt consideration to matters raised by the Employees or the Employees relevant Union covered by this Agreement; and
- (d) if appropriate provide training for the Employees to assist them to integrate successfully into the new structure.

**11.9** In accordance with this clause, the relevant Employees and the relevant Union covered by this Agreement may submit alternative proposals which will meet the indicated rationale and benefits of the proposal.

- (a) Such alternative proposals must be submitted in a timely manner so as not to lead to an unreasonable delay in the introduction of any contemplated change.
- (b) If such a proposal is made the Employer must give considered reasons to the affected Employees and the relevant Union covered by this Agreement if the Employer does not accept its proposals.
- (c) Indicative reasonable timeframes are set out below. The steps, timeframes, and the extent of consultation in each case will:
  - (i) be commensurate with the scale of the proposed major change and the likely significant effect for Employees, and
  - (ii) take account of the Parties' agreement in **clause 15** (Mobility Principles) that the principles of workforce mobility will be operationalised over the life of the Agreement through a range of changed practices, modes of work and service delivery.

**Table 2: Implementation of Change Process**

- 11.10** Any dispute concerning the Parties' obligations under this clause will be dealt with in accordance with **clause 13** (Resolution of Disputes).

## **12. Consultation on Changes to Rosters or Hours of Work**

- 12.1** This clause applies if the Employer proposes to introduce a change to the regular roster or ordinary hours of work of Employees.
- 12.2** The Employer must notify the Relevant Employees of the proposed change. Relevant Employees means the Employees who may be affected by a change referred to in **clause 12.1**.
- 12.3** The Relevant Employees may appoint a representative for the purposes of the procedures in this clause.
- 12.4** The Employer must recognise the representative appointed by a Relevant Employee(s) if:
- (a)** a Relevant Employee appoints, or Relevant employees appoint, a representative, which may include CPSU, for the purposes of consultation; and
  - (b)** the Employee or Employees advise the Employer of the identity of the representative.
- 12.5** As soon as practicable after proposing to introduce the change, the Employer must:
- (a)** discuss with the Relevant Employees the introduction of the change; and
  - (b)** for the purposes of the discussion—provide to the Relevant Employees:
    - (i)** all relevant information about the change, including the nature of the change; and
    - (ii)** information about what the Employer reasonably believes will be the effects of the change on the Employees; and

**13.7 Agreement and Dispute Settlement Facilitation**

- (a)** For the purposes of compliance with this Agreement (including compliance with this dispute settlement procedure) if the chosen Employee representative is another Employee of the Employer, they must be released by the Employer from normal duties for such periods of time as may be reasonably necessary to enable them to represent Employees concerning matters pertaining to the employment relationship including but not limited to:
  - (i)** investigating the circumstances of a dispute or an alleged breach of this Agreement; or
  - (ii)** endeavouring to resolve a dispute arising out of the operation of this Agreement; or
  - (iii)** participating in conciliation, arbitration or any other agreed alternative dispute resolution process.
- (b)** The release from normal duties referred to in this clause is subject to the proviso that it does not unduly affect the operations of the Employer.

**13.8 Discussion of Dispute**

- (a)** The dispute must first be discussed by the aggrieved Employee(s) with the immediate supervisor of the Employee(s).
- (b)** If the dispute is not settled, the aggrieved Employee(s) can require that the dispute be discussed with another representative of the Employer appointed for the purposes of this procedure.

**13.9 Internal Process**

- (a)** If any party to the dispute who is covered by this Agreement refers the dispute to an established internal dispute resolution process, the matter must first be dealt with according to that process, provided that the process is conducted as expeditiously as possible and:
  - (i)** is consistent with the rules of natural justice; and
  - (ii)** provides for mediation or conciliation of the dispute; and
  - (iii)** provides that the Employer will take into consideration any views on who should conduct the review; and
  - (iv)** is conducted with as little formality as a proper consideration of the dispute allows.
- (b)** If the dispute is not settled through an internal dispute resolution process, the matter can be dealt with in accordance with the processes set out below.
- (c)** If the matter is not settled either party to the dispute may apply to the FWC to have the dispute dealt with by conciliation.

**13.10 Disputes of a Collective Character**

- (a)** The Parties acknowledge that disputes of a collective character concerning more than one Employee may be dealt with more expeditiously by an early reference to the FWC.

## Victorian Public Service Enterprise Agreement 2024

- (b) No dispute of a collective character may be referred to the FWC directly unless there has been a genuine attempt to resolve the dispute at the workplace level prior to it being referred to the FWC.

### 13.11 Conciliation

- (a) Where a dispute is referred for conciliation, a member of the FWC will do everything that appears to the member to be right and proper to assist the parties to the dispute to agree on settlement terms.
- (b) This may include arranging:
  - (i) conferences of the parties to the dispute presided over by the member; and
  - (ii) for the parties to the dispute to confer among themselves at conferences at which the member is not present.
- (c) Conciliation before the FWC will be regarded as completed when:
  - (i) the parties to the dispute have reached agreement on the settlement of the dispute; or
  - (ii) the member of the FWC conducting the conciliation has, either of their own motion or after an application by a party to the dispute, satisfied themselves that there is no likelihood that, within a reasonable period, further conciliation will result in a settlement; or
  - (iii) the parties to the dispute have informed the FWC member that there is no likelihood of agreement on the settlement of the dispute and the member does not have substantial reason to refuse to regard the conciliation proceedings as completed.

### 13.12 Arbitration

- (a) If the dispute has not been settled when conciliation has been completed, a party to the dispute may request that the FWC proceed to determine the dispute by arbitration.
- (b) If a member of the FWC has exercised conciliation powers in relation to the dispute, the member must not exercise, or take part in the exercise of, arbitration powers in relation to the dispute if a party to the dispute objects to the member doing so.
- (c) Subject to **clause 13.12(d)**, the determination of the FWC is binding on the persons covered by this Agreement.
- (d) A determination of a single member of the FWC made pursuant to this clause may, with the permission of a Full Bench of the FWC, be appealed.

### 13.13 General Powers and Procedures of the FWC

Subject to any agreement between the parties in relation to a particular dispute and the provisions of this clause, in dealing with a dispute through conciliation or arbitration, the FWC may conduct the matter in accordance with Subdivision B of Division 3 of Part 5-1 of the FW Act.

## 14. Workload

- 14.1** The Employer acknowledges the benefits to both the organisation and individual Employee gained through Employees having a balance between both their professional and family life.
- 14.2** The Employer further recognises that the allocation of work must include consideration of the Employee's hours of work, health, safety and welfare. Work will be allocated so that there is not an allocation that routinely requires work to be undertaken beyond an Employee's ordinary hours of work.
- 14.3** An Employee or group of Employees may request a review of their workload if they believe the workload is unreasonable. The request must be made in writing and set out details of the workload of the Employee or group of Employees and the reasons why the workload is considered unreasonable.
- 14.4** On receipt of a request by an Employee or group of Employees under this clause, the Employer must give the Employee a written response within 21 days, stating whether the Employer agrees to or refuses the request.
- 14.5** If the Employer refuses the request for a review, the written response under **clause 14.4** must include details of the reasons for the refusal.
- 14.6** If the Employer agrees to the request, a review of the workload of the Employee or group of Employee's will be conducted.
- 14.7** Following the completion of the review, the Employee or group of Employees and the Employer will agree on any necessary adjustments that are required to be implemented to ensure the workload for the Employee or group of Employees is reasonable.

## Part 4 Employment Relationship and Related Arrangements

### 15. Mobility Principles

**15.1** The Parties agree to interpret and apply this Agreement consistently with the following principles aimed at promoting workforce mobility:

- (a)** The work required of a modern career public service is not static but always changing, due to factors such as new government priorities, population growth, the pace and scale of technological advancement, changing community service delivery expectations and the need to respond to evolving complex public policy problems or crises.
- (b)** Embracing these changing priorities is essential to providing secure, flexible employment in the public service. Within the framework of secure employment (**clause 17**) and flexibility (**clause 8**), the Parties acknowledge the importance of ensuring that VPS Employees can be responsively deployed to support changing government priorities.
- (c)** Victoria's public service is a professional public service and is a career path of choice. VPS employment careers can go beyond a fixed role with a specific Employer in a single location. VPS Employees are encouraged to gain relevant, diverse and evolving skills and experience across the public service, appropriate for facilitating delivery of government's priorities as they change over time.

**15.2** The Parties agree that the principles set out above will be operationalised over the life of the Agreement, through a range of changed workplace practices, modes of work and service delivery. These may include, for example but not limited to:

- (a)** Better matching Employee skills and capabilities to vacant roles in the VPS, such as through the Jobs and Skills Exchange, and
- (b)** Reduction of operational and mobility barriers between public service Employers, and
- (c)** Facilitation of greater mobility, including through 'job pools' for identified functions, the development of job families and a more advanced approach to linking skill development, career aspirations and job demand trends, and
- (d)** Development and implementation of a capability framework to facilitate better matching of Employee capabilities to operational need, and
- (e)** A model where ongoing Employees are deployed to priority projects or programs across the VPS based on their core skills and capabilities, rather than being limited to a specific function in a specific area, and
- (f)** Interdisciplinary project teams or joint ventures, which change in size and composition over time, with shared resources and/or reporting lines outside traditional hierarchical structures or across departmental boundaries, and
- (g)** Joined up, client-focused delivery of multiple services with shared or complimentary outcomes presently provided by distinct operational areas, and
- (h)** Development of generalist capability to allow strategic deployment of VPS employees across functional areas with common or universal skill sets, and

## Victorian Public Service Enterprise Agreement 2024

- (i) A better approach to secondments, and enhanced promotion of and opportunities for secondments, job shares and other reprioritisation of skills to ensure the right expertise informs policy and strategy development, and
- (j) Building of specialist skills through targeted professional development in growing sectors, and
- (k) Development of communities of practice or networks to better deliver services.

**15.3** The parties agree that workforce mobility measures are not intended to adversely affect Employees' overall employment security within the VPS or otherwise disadvantage Employees in their employment. In particular:

- (a) The Employer will not require an Employee to physically relocate beyond agreed areas without appropriate consultation and supports as provided for in **Clause 21** (Usual Place or Places of Work), and
- (b) The Employer will designate a line manager for personal development, wellbeing, performance assessment and related support. An Employee may report to a number of different managers for projects or work activities. The line manager may consult with the Employee's different project or work activity managers in assessing an Employee's performance. The designated line manager will ensure an Employee's reporting arrangements are clear, and
- (c) **Clause 14** – Workload applies in respect of workforce mobility measures, and
- (d) An Eligible Employee's participation in workforce mobility measures will be regarded favourably and not place that Employee at a disadvantage for the purposes of performance development and progression at **Clause 31** (Performance Development and Progression within a Value Range), and
- (e) The Employer will at all times apply the appropriate classification level, and where applicable, higher duties allowance, to work performed by an Employee, and
- (f) The Employer will comply with its obligations under the Agreement (see **clauses 8 – 10**) and section 65 of the FW Act regarding flexible work arrangements and will ensure that an Employee's need for flexible work arrangements is taken into account in implementing mobility measures, and
- (g) The Employer will comply with its obligations under the Agreement and the *Occupational Health and Safety Act 2004* (Vic) when implementing mobility measures, and
- (h) Mobility measures will not disadvantage an Employee in their terms and conditions of employment,

## 16. Mobility Payment

**16.1** Employees will be paid an annual lump sum mobility payment:

- (a) in recognition of the Parties commitment to the mobility principles outlined in **clause 15** (Mobility Principles) of the Agreement, and
- (b) in recognition of the fact that the work required of a modern career public service is not static but always changing, and

## Victorian Public Service Enterprise Agreement 2024

- (c) to acknowledge Employees are committed to ensuring they can be responsively deployed to support changing government priorities, and
- (d) to encourage Employees to gain relevant, diverse and evolving skills and experience across the public service to support their capability and career development.

**16.2** The mobility payment in the tables below will be made as once off lump sum payments on the dates specified. Pro-rata payment arrangement applies in the following circumstances:

- (a) part-time Employees based on the number of ordinary hours worked as at the date specified,
- (b) Casual Employees whose regular and systematic engagement encompasses the date specified for the mobility payment will be eligible to receive the payment on a pro rata basis, based on their previous 12 months' work pattern or the period the casual employee has been employed, whichever is lesser, and
- (c) Employees on unpaid leave on the date specified (other than during the first 52 weeks of Parental Leave), based on the duration of the unpaid leave taken by the Employee.

Otherwise the rate of payment will be at the Employee's substantive grade and Value Range on the date specified.

**16.3** An Employee is eligible to be paid the mobility payment if they are employed on the date specified regardless of when their employment commenced. Employees who were not employed on the date specified are not entitled to the mobility payment for that year.

**16.4** Where the dates specified for the mobility payment occur on a weekend, public holiday or another non-working day for an Employee, the Employee will be eligible for the payment if they were employed on the last ordinary working day immediately prior to that non-working day.

**16.5** Employees classified under the following classification structures will be paid an annual lump sum payment as follows:

## 17. Secure Employment

- 17.1** The Employer acknowledges the positive impact that secure employment has on Employees and the provision of quality services to the Victorian community.
- 17.2** The Employer will give preference to ongoing forms of employment over casual and fixed term arrangements wherever possible.
- 17.3** If the Union or affected Employees identify fixed term or casual employment that is considered not to meet the criteria established in **clause 18** or **19**, the Union or affected Employees will refer the matter to the Employer. If the Parties cannot resolve the matter, it will be dealt with under **clause 13** (Resolution of Disputes).

## 18. Use of Fixed Term Employment

- 18.1** The Employer will not use fixed term contracts for the purpose of undermining the job security or conditions of full-time ongoing Employees.
- 18.2** Subject to the exceptions in **clause 18.4**, fixed term appointments will be for a maximum of three years' duration.
- 18.3** In accordance with the principle set out in **clause 18.1**, the use of fixed term employment in all areas covered by this Agreement is limited to:
- (a)** replacement of Employees during a temporary absence of another Employee, for example because:
    - (i)** an Employee is on approved leave; or
    - (ii)** the Employee is filling a vacancy, resulting from another Employee undertaking a temporary assignment or secondment; or
  - (b)** undertaking essential work during a peak demand period; or
  - (c)** undertaking work during emergency circumstances; or

## Victorian Public Service Enterprise Agreement 2024

- (d) undertaking a distinct and identifiable task involving specialised skills, which is funded for a specified period; or
- (e) a contract in relation to a training arrangement; or
- (f) Senior Technical Specialist, Principal Scientist, Senior Regulatory Analyst or Senior Medical Adviser roles; or
- (g) temporarily filling a vacancy where:
  - (i) following an appropriate selection process, a suitable ongoing Employee is not available; or
  - (ii) the Employee is filling a vacant role whilst a review of the area is undertaken.

**18.4** Fixed term appointments will be for a maximum of three years except:

- (a) in exceptional or unforeseen circumstances, or
- (b) where **clause 18.3(g)** applies, in which case the maximum duration will be 12 months, or
- (c) where the fixed term engagement arises backfilling another employee who is on Parental Leave (**Clause 62**), or
- (d) where the Employee is engaged as a Senior Technical Specialist, Principal Scientist, Senior Regulatory Analyst or Senior Medical Officer, in which case the Employer is permitted one extension beyond the three-year maximum for a further period of no more than 12 months, or
- (e) where the Employee is engaged to undertake a distinct and identifiable task involving specialised skills, which is funded for a specified period in accordance with **clause 18.3(d)**, and the funding is payable for a period of more than 3 years and there are no reasonable prospects that the funding will be renewed after the end of that period, the Employer is permitted one extension beyond the three year maximum for a further period of no more than 12 months, or
- (f) for an Employee who is posted overseas or
- (g) for an Employee who is engaged under the contract in relation to a training arrangement of longer than three years duration.

**18.5** If a fixed term appointment exceeds the limitations described in this clause the Employer will be required to make the Employee an offer of ongoing employment in accordance with **clause 18.6**.

**18.6 Process for conversion where fixed term employment in the same or a substantially similar position exceeds three years duration**

- (a) Notwithstanding **clause 18.1 to 18.5**, where the Employer seeks to engage an Employee beyond the limitations described in this clause, the Employer is required to offer the Employee ongoing employment, prior to the conclusion of the Employee's fixed term contract, except in the following circumstances:
  - (i) there are reasonable business grounds not to do so (see **clause 18.6(b)**), or
  - (ii) in exceptional or unforeseen circumstances.

## Victorian Public Service Enterprise Agreement 2024

- (b) For the purposes of **clause 18.6(a)(i)**, and without limitation, reasonable business grounds include the following:
  - (i) there is no ongoing vacancy or funding for an ongoing position at the same VPS classification or equivalent available in which to place the Employee to undertake the same or similar work that they were performing in the fixed term position; or
  - (ii) the Employee's position will cease to exist in the coming 12 months.
- (c) Where an Employer is required to make an offer to convert to ongoing employment under this clause, the offer of ongoing employment must:
  - (i) be made in writing; and
  - (ii) be an offer to convert to ongoing employment at the same VPS Classification or equivalent as the Employee's fixed term role; and
  - (iii) be consistent with the Employee's existing number of ordinary hours; and
  - (iv) be given to the Employee at least 21 days before their fixed term employment has reached its maximum duration under this clause.
- (d) In the event that the Employer is not required to make an offer under **clause 18.6(a)**, the Employer must give written notice to the Employee. The notice must:

- (b) The Parties agree that for the purposes of the fixed term conversion arrangements outlined in **clause 18.6**, new or extended contracts entered into on or after 6 December 2023, will count towards determining an Employee's eligibility for conversion under this clause.
- (c) For fixed term contracts entered into on or after 6 December 2023 but before the commencement of the Agreement, eligibility for conversion for eligible employees will arise at the point the contract is renewed or extended after the commencement of the Agreement.

## 19. Use of Casual Employment

- 19.1 The Employer will not use casual labour for the purpose of undermining the job security of ongoing Employees, for the purpose of turning over a series of casual workers to fill an ongoing employment vacancy, or as a means of avoiding obligations under this Agreement.
- 19.2 In accordance with the principle set out in **clause 19.1**, the employment of casuals in all areas covered by this Agreement is limited to meeting short-term work demands or specialist skill requirements which are not continuing and would not be anticipated to be met by existing Employee levels.
- 19.3 Casual employment will be for not less than three consecutive hours in any day worked except:

- (e) Where the Employer makes an offer of ongoing employment to a casual Employee, the Employee must respond in writing within 21 days stating whether the Employee accepts or declines the offer. If the Employee does not provide a written response within 21 days, the Employee will be taken to have declined the offer.
- (f) If the Employer fails to make an offer of ongoing employment to an eligible casual Employee, the Employee may request in writing conversion to ongoing employment. Approval to convert to ongoing employment will not be withheld unless one of the exceptions in **clause 19.5(b)** applies.

### 19.6 Transitional Arrangements – Casual Conversion

- (e)** The Employer must meet and discuss the Claim with the Claimant prior to responding to the Claim.
- (f)** The Employer must respond to the Claim in writing to the Claimant, within a reasonable time, including enough details in the response to allow the Claimant to understand the Employer's response to each element of the Claim, including reasons why the Claim is accepted or rejected.

## Victorian Public Service Enterprise Agreement 2024

- (g) If the Claim is unable to be resolved between the Employer and the Claimant/s, either the Claimant/s or the Employer may refer the Claim to the Public Sector Gender Equality Commissioner (Commissioner) to deal with.
- (h) Common Claims against multiple VPS Employers may be referred to the Commissioner if the Claims relate to a systemic gender equality issue which adversely affects a class or group of Employees from each VPS Employer, and the Claims are referred by any of the Parties in **clause 4.1** of this Agreement.
- (i) In dealing with a Claim, the Commissioner:
  - (i) Must consider the Gender Pay Equity Principles; and
  - (ii) Must be objective and free from assumptions based on gender; and
  - (iii) Must acknowledge that current pre-existing views, conclusions or assessments of comparable worth or value may not be free of assumptions based on gender; and
  - (iv) Must ensure that skills, responsibilities, effort and conditions that are commonly undervalued such as social and communication skills, responsibility for wellbeing of others, emotional effort, cultural knowledge and sensitivity are considered; and
  - (v) Must ensure that dispute resolution outcomes consider current or historical gender-based discrimination and do not further promote systemic undervaluation. and
  - (vi) Must deal with the Claim in a manner that is independent of the Employer or the Claimant; and
  - (vii) Must consider evidence that the Claim may not be isolated to the Employer subject to the Claim but may affect Employees from multiple VPS Employers or other public sector employers not covered by this Agreement; and
  - (viii) May jointly deal with a Claim and any other dispute which has been referred to the Commissioner which relates to the same or similar systemic gender equality issues; and
  - (ix) Must consider the views of the Claimant prior to jointly dealing with multiple Claims or disputes; and
  - (x) May otherwise deal with the Claim in any way the Commissioner considers appropriate, consistent with the requirements of the *Gender Equality Act 2020* (Vic). This can include mediation, conciliation, making recommendations or offering opinions.
- (j) If a Claim is unable to be resolved by the Commissioner, either the Claimant or the Employer may refer the Claim to the FWC as a dispute of a collective character for resolution pursuant to **clause 13.10** or **13.11**.
- (k) This clause does not apply to any dispute regarding a matter or matters arising in the course of bargaining in relation to a proposed enterprise agreement.
- (l) A Claimant may choose to be represented at any stage by a representative, including a Union representative or Employer's organisation.

- (m) The Claimant and Employer and their representatives must genuinely attempt to resolve the dispute through the processes set out in this clause and must cooperate to ensure that these processes are carried out expeditiously.
- (n) Whilst a Claim is being dealt with in accordance with this clause, work must continue in accordance with usual practice, provided that this does not apply to an Employee who has a reasonable concern about an imminent risk to their health or safety, has advised the Employer of this concern and has not unreasonably failed to comply with a direction by the Employer to perform other available work that is safe and appropriate for the Employee to perform. No party will be prejudiced as to the final settlement of the Claim by the continuance of work in accordance with this clause.

### 30.5 Gender Equality Action Plans

The Employer will consult with the CPSU in the preparation of Gender Equality Action Plans under the *Gender Equality Act 2020* (VIC).

## 31. Performance Development and Progression within a Value Range

### 31.1 Performance Cycle and Review

- (a) The performance development and review process is the framework within which an Employee's performance and development is planned, managed and reviewed to determine whether an Employee is entitled to Progression or a Top of Grade or Value Range Payment at the end of the Performance Cycle.
- (b) "**Progression**" means advancing to the next Progression Step in accordance with this clause. Progression Steps are set out in the table at **clause 1 of Schedule C** (or relevant part of **Section II** of this Agreement for Non-VPS Aligned Adaptive Structures).
- (c) "Top of Grade or Value Range Payment" means the 1.5 per cent lump sum of the Employee's Salary as at 30 June of the Performance Cycle, paid in accordance with this clause to an Employee at the top of their Grade or Value Range in lieu of Progression.
- (d) The Performance Cycle is twelve months (1 July to 30 June).
- (e) All Employees must participate in the performance development and review process, including in the development of performance development plans and conduct of performance discussions and reviews.
- (f) Employees who refuse to participate in the performance development and review process will be ineligible for Progression or Top of Grade or Value Range Payment, unless the Employee's lack of participation is due to the Employer's failure to initiate the performance development process.
- (g) The performance development and review process has three formal stages:

Table 13: Performance development and review process

Stage	Description
Commencement of the Performance Cycle	<p>Employer and Employee agree on a performance development plan outlining:</p> <ul style="list-style-type: none"> <li>• the agreed performance goals appropriate to the Employee’s role; and</li> <li>• the agreed learning and development goals required for the Employee’s role and/or to build the Employee’s professional capacity and career opportunities.</li> </ul> <p>In addition, the Employee is expected to comply with the Public Sector Values and Code of Conduct for Victorian Public Sector Employees.</p> <p>Collectively these three elements constitute the Employee’s Progression Criteria. The expected standard for the setting of Progression Criteria is outlined in <b>clause 31.2</b>.</p>
Mid-Cycle Performance Review	<p>Undertaken around the mid-point of the Performance Cycle, the Employer and Employee meet to monitor and assess the Employee’s performance towards meeting their Progression Criteria.</p>
End of Cycle Performance Review	<p>Undertaken at the end of each Performance Cycle during which the Employee’s performance throughout the Performance Cycle is assessed to determine whether they have met the Progression Criteria.</p>

- (h) All Employees can expect informal and formal feedback about their performance throughout the Performance Cycle from their supervisor or manager.

**31.2 Progression Criteria**

- (a) The Progression Criteria are to be agreed with each Employee at the start of the Performance Cycle or on the Employee’s commencement in a role. The Progression Criteria may be adjusted by agreement during the Performance Cycle.
- (b) Progression Criteria should be sufficiently detailed and clear to enable proper assessment of performance to occur and be consistent with the Employee’s role, skills, capabilities and the relevant Classification Descriptors outlined in **Schedule C** of the Agreement. The expected capabilities, responsibilities and behaviours appropriate to the role may be weighed and combined to develop the Progression Criteria.
- (c) Central to the performance development and review process is the need for supervisors and managers, in consultation with Employees, to determine what should, and can, be delivered to warrant Progression through a combination of increasing capability, productivity, performance and professionalism. This interaction between managers and Employees gives authority and integrity to the structure and its sustainability in the long term.

**(d) Setting Progression Criteria**

**(i) VPS 1 to 4 Classified Employees (or equivalent)**

For VPS Grades 1 to 4 (or equivalent), Progression Criteria will not be as onerous as those required for VPS 5 through VPS 7 (or equivalent).

While VPS Grades 3 and 4 (or equivalent) are clearly seen as transition points to higher levels of management within the structure and carry additional responsibility, this does not mean work at all lower levels will not be important and demanding. However, it is expected that in setting agreed Progression Criteria the overwhelming majority of persons within Grades 1 to 4 will achieve the objectives and should move through the Salary points.

**(ii) VPS 5 to VPS 7 (or equivalent)**

In setting Progression Criteria for VPS 5 to VPS 7 (or equivalent) classified Employees it is expected Progression Criteria will:

- include measures of excellence and skill acquisition; and
- be commensurate with the higher level of responsibility expected of positions of these Grades; and
- be more challenging and difficult to achieve.

**(e)** Management should facilitate an individual Employee's ability to undertake appropriate learning and development. An individual Employee must actively pursue appropriate learning and development to build professional capacity and career opportunities.

**(f)** Employees will have access to appropriate learning and development opportunities, regardless of their gender or any other Attribute.

**31.3 Progression Steps and Top of Grade or Value Range payment**

**(a)** Within each Value Range of Grades 1 to 7 there are Progression Steps (expressed Salary points) as detailed in the table at **clause 1 of Schedule C**.

**(b)** Progression Steps and Progression Amounts (where relevant) for Employees covered by a VPS Aligned Adaptive Structure or Non-VPS Aligned Adaptive Structure are outlined in the relevant structures as detailed in **Section II** of this Agreement.

**(c)** Progression Steps within Value Ranges are not points of defined work value. Progression within the salary structure will not be automatic, consistent with wage fixing principles.

**(d)** An Employee at the top of their Grade or Value Range who achieves Progression (as described in **clause 31.7**), will, in lieu of a Progression Step, receive a top of Grade or Value Range Payment equal to one and a half per cent (1.5%) of the Employee's Salary as at 30 June of the relevant Performance Cycle.

**(i)** The increase to the top of band or value range payment from 1 per cent to 1.5 per cent, which is given effect to by **clause 31.3(d)** will be applied from the Performance Cycle concluding on 30 June 2024.

**31.4 Eligibility requirements for Progression or a Top of Grade or Value Range Payment**

  - (iii)** has a current PDP in place (unless **clause 31.7(c)** is relevant).
- (b)** An Employee is not eligible to be considered for a Progression or Top of Grade or Value Range Payment in respect of a Performance Cycle if:

  - (i)** the Employee has been continuously employed in the VPS for less than 12 months as at the end of the Performance Cycle; or
  - (ii)** the Employee obtained a promotion to a position at a higher Grade or Value Range, or otherwise negotiated a salary increase, within the performance cycle; or
  - (iii)** the Employee was subject to a formal underperformance process under **clause 26** at any time during the Performance Cycle; or
  - (iv)** the Employee is subject to proven misconduct as per **clause 27** during the course of the Performance Cycle. If the investigation of alleged misconduct spans more than one Performance Cycle, the eligibility exclusion is to be applied in the Performance Cycle in which the determination of the discipline outcome (under **clause 27.12** of the Agreement) is made. If a misconduct investigation is ongoing but has not yet concluded the Employee is eligible to be considered for Progression or Top of Grade or Value Range payment but the Employer is not precluded from considering matters which have arisen under **clause 27** in assessing whether the Employee has met their Progression Criteria where it is fair and reasonable to do so.
- (c)** For the purposes of this clause a promotion does not include any moves to the next Grade or Value Range:

  - (i)** which resulted in the Employee receiving less than the equivalent of one progression step, or
  - (ii)** was achieved as a result of obtaining relevant work experience or a qualification which is part of an automatic career advancement pathway established in an Agency Specific Appendix or completing the VPS Graduate Program, or
  - (iii)** occurred following a job-re-sizing review process conducted under **clause 29.6**(Movement between Value Ranges).

- (b) If an Employee progresses to the next progression step while acting in a higher position they will progress to the next Progression Step within their substantive Grade (if applicable).
- (c) An Employee who has been acting in a higher position for a period of less than twelve months at the end of the Performance Cycle, may be eligible to be considered for Progression or a Top of Grade or Value Range payment at their substantive Grade or Value Range, if they are not otherwise ineligible because of the operation of **clause 31.4**.

**31.6 Progression payments for Employees returning from Primary Caregiver Parental leave**

- (a) An Employee is entitled to advance two progression steps or be paid two Top of Grade or Value Range payments (or a combination of both, where relevant) in the following circumstances:
  - (i) The Employee was not considered for Progression or a Top of Grade or Value Range payment due to the Employee's absence on a period of Primary Carer Parental Leave not exceeding 104 weeks; and
  - (ii) The Employee is otherwise eligible to be considered for Progression or a Top of Grade or Value Range Payment; and
  - (iii) The Employee is assessed as meeting progression criteria in the Performance Cycle in which the Employee returns to work.
- (b) Any Progression or Top of Grade or Value Range payment will be processed by the Employer at the same time as other progression outcomes resulting for the Performance Cycle following the Employee's return to work.
- (c) An Employee's absence from work on parental leave for part of a relevant Performance Cycle must not disadvantage the Employee in the Employer's application of the Progression Criteria.

**31.7 Achieving Progression or Top of Grade or Value Range Payment**

- (a) Progression between progression steps or the payment of a Top of Grade or Value Range payment will occur if the Employee:
  - (i) meets the eligibility requirements set out in **clause 31.4** or **clause 31.5**(as relevant); and
  - (ii) is assessed as having met their Progression Criteria at the End of Cycle Performance Review.

## Victorian Public Service Enterprise Agreement 2024

- (c) An Employee will not be disadvantaged where through the Employer's act or omission:

  - (ii) a Performance Development Plan is not completed, or
  - (iii) a Mid-Cycle or End of Cycle Performance Review is not conducted.
- (d) An Employee must not be disadvantaged in the Employer's application of the Progression Criteria due to:
  - (i) their gender or other Attribute.
  - (ii) their employment status as a part-time employee; or
  - (iii) a flexible working arrangement.
- (e) Where an Employee is assessed as having not met their agreed Progression Criteria, the Employee will not obtain Progression or be paid a top of Grade or Value Range Payment.

### **31.8 Operation of Progression Steps or Top of Grade of Value Range Payment where progression is achieved**

- (a) Other than as provided for in **clause 31.8(b)**, progression will take effect backdated to 1 July following the completion of the Performance Cycle to which the progression relates.
- (b) For an Employee who:
  - (i) has been ineligible to be considered for Progression or Top of Grade or Value Range payment for a period of 18 months or longer as a result of the operation of **clause 31.4(b)(i)** or **31.4(b)(ii)**; and

In either case payment in lieu of leave may only occur with the agreement of the Employer and relevant Shift Worker.

**43.5 Shift Allowances during a period of paid Primary Caregiver Parental Leave or Additional Paid Secondary Caregiver Parental Leave**

Despite **clause 62.25** (Calculation of pay for the purposes of Parental Leave), a Shift Worker will be paid an allowance equal to any additional shift allowances to which the Employee would have been entitled for the period of paid Primary Caregiver Parental Leave under **clause 62.4(a)(i)** or Additional Paid Secondary Caregiver Parental Leave under **clause 62.6**, as if they were not proceeding on paid Primary Caregiver Parental Leave or Additional Paid Secondary Caregiver Parental Leave (as relevant).

**44. Right to Disconnect**

- 44.1 The Right to Disconnect refers to an Employee's right to disengage from work and refrain from engaging in work-related communications and activities, such as emails, telephone calls or other messages, outside of the Employee's working hours or during periods of leave or rostered days off.

- 44.2 The Right to Disconnect has four main elements:

- (a) The Employer must respect Employee's periods of leave.
- (b) An Employee must not be expected to routinely perform work outside of the Employee's working hours, other than in an emergency, incident response situation or in relation to genuine welfare matters.
- (c) An Employee will not be penalised or otherwise disadvantaged for refusing to attend to work matters outside of the Employee's working hours or their agreed ordinary hours under a flexible arrangement, unless their refusal is unreasonable in the circumstances.
- (d) Subject to **sub-clause 44.2(b)** and **44.2(c)**, an Employee is not required to monitor, read or respond to emails, messages or phone calls outside of their working hours unless the Employee is required by the Employer to be on-stand by or have been directed by the Employer to perform overtime.

- 44.3 Without limiting the matters that may be taken into account in determining whether a refusal is reasonable, the following must be taken into account:

- (a) the reason for the contact or attempted contact,
- (b) how the contact or attempted contact is made and the level of disruption the contact or attempted contact causes the Employee,
- (c) whether the Employee is compensated to be available to be contacted or to perform work outside of their working hours, or for working additional hours outside of the spread of ordinary hours or their agreed ordinary hours under a flexible arrangement,
- (d) the nature and seniority of the Employee's role and the Employee's level of responsibility, and

## Victorian Public Service Enterprise Agreement 2024

- (e) the Employee's personal circumstances (including family or caring responsibilities).

**44.4** There may be occasions when it will be reasonably necessary for an Employer to contact an Employee outside of the working hours, including but not limited to:

- (a) ascertaining availability for rosters,
- (b) requests to fill in at short notice for unplanned absences of other Employees,
- (c) where unforeseeable circumstances arise,
- (d) for genuine Employee welfare matters, or in an emergency,
- (e) and/or where business and operational reasons require contact outside of working hours.

For the avoidance of doubt, an Employee may not be required to respond to these matters provided the refusal to respond is reasonable having regard to the matters in **clause 44.3**.

**44.5** This clause is to be read in conjunction with the Parties' commitment to support flexible ways of working. Subject to an Employee working the actual days and hours of work established between the Employer and the Employee at the date of employment or as subsequently altered by agreement, this clause does not prevent Employees from working within the scope of their own flexible work arrangements, which may extend to working, by agreement, outside of the span of hours set out in **Clause 42**, and in accordance with an Individual Flexibility Arrangement under **Clause 9**.

**44.6** Nothing in this clause prevents the Employer from requiring an Employee to perform reasonable additional hours, overtime, a period of standby or be recalled to duty outside the span of hours in accordance with the terms of this Agreement.

**44.7** Without limiting or overriding any rights or obligations under **clause 13** (Resolution of Disputes), the parties must first attempt to resolve a dispute about the operation of this clause at the workplace level by discussing the matter. A dispute about the operation of this clause may arise because:

- (a) the Employee has refused to monitor, read or respond to contact or attempted contact under this clause and the Employer believes that the refusal is unreasonable, or
- (b) the Employer has asserted their belief that the refusal was unreasonable but the Employee believes the refusal was not unreasonable.

**44.8** If the dispute cannot be resolved at the workplace level, a party to the dispute may apply to the Fair Work Commission to do either or both of the following:

- (a) make an order under section 333P of the *Fair Work Act 2009*;
- (b) otherwise deal with the dispute.

- (b) An Employee may refuse to work overtime in circumstances where the working of such overtime would result in the Employee working hours which are unreasonable having regard to:
  - (i) any risk to the Employee's health and safety; or
  - (ii) the Employee's personal circumstances including family responsibilities; or
  - (iii) the needs of the workplace; or

### 50.6 Excessive Annual Leave Accruals

#### (a) Dealing with annual leave accruals by agreement

Where an Employee's accrued annual leave entitlement has not been taken by the end of the calendar year following the calendar year in which it accrued, the

## Victorian Public Service Enterprise Agreement 2024

Employer and Employee must genuinely try to agree upon steps that will be taken to reduce or eliminate that leave accrual. This agreement must be attempted before the Employer can direct that leave be taken under **clause 50.6(b)(ii)** or an Employee can give notice of leave to be granted under **clause 50.6(c)(ii)**.

### **(b) Employer may direct that excessive annual leave be taken**

- (i)** An Employee has an excessive annual leave accrual if:
- the Employee has accrued more than eight weeks' paid annual leave; or
  - the Employee is a Shift Worker who is entitled to an additional week of annual leave in accordance with **clause 50.2(a)** and has accrued more than 10 weeks' paid annual leave.

- result in the Employee's remaining accrued entitlement to paid annual leave at any time being less than six weeks (taking into account all other paid annual leave that has been agreed, that the Employee has been directed to take or that the Employee has given notice of under **clause 50.6(c)(ii)**); or

- (iii)** An Employee to whom a direction has been given under this clause may make a request to take paid annual leave as if the direction had not been given.
- (iv)** The Employer must not unreasonably refuse to agree to a request by the Employee to take paid annual leave.
- (v)** If leave is agreed after a direction is issued and the direction would then result in the Employee's remaining accrued entitlement to paid annual leave at any time being less than six weeks, the direction will be deemed to have been withdrawn.
- (vi)** The Employee must take paid annual leave in accordance with a direction complying with this clause.

### **(c) Employee may require that leave be granted**

- (i)** This **clause 50.6(c)** applies if an Employee has had an excessive annual leave accrual for more than six months and the Employer has not given a

direction under **clause 50.6(b)(ii)** that will eliminate the Employee's excessive leave accrual.

**(ii)** If agreement is not reached under **clause 50.6(a)**, the Employee may give a written notice to the Employer that the Employee wishes to take a period or periods of paid annual leave. Such a notice must not:

- result in the Employee's remaining accrued entitlement to paid annual leave at any time being less than six weeks (taking into account all other paid annual leave that has been agreed, that the Employee has been directed to take or that the Employee has given notice of under this clause); or
- provide for the Employee to take any period of leave of less than one week; or
- provide for the Employee to take any period of leave commencing less than eight weeks after the day the notice is given to the Employer; or
- provide for the Employee to take any period of leave commencing more than 12 months after the day the notice is given to the Employer; or
- be inconsistent with any leave arrangement agreed between the Employer and Employee.

**(iii)** The maximum amount of leave that an Employee can give notice of under this clause is:

- four weeks' leave in any 12 month period; or
- five weeks' leave in any 12 month period if the Employee is a Shift Worker who is entitled to an additional week of annual leave in accordance with **clause 50.2(a)**.

**(iv)** The Employer must grant the Employee paid annual leave in accordance with a notice complying with this clause.

**(d) Disputes in relation to the operation of clause 50.6**

A dispute in relation to the operation of this clause may be dealt with in accordance with **clause 13** (Resolution of Disputes).

  - (iv) be signed by the Employer and Employee and, if the Employee is under 18 years of age, the Employee's parent or guardian;
- (b) the Employee must be paid at least the full amount that would have been payable to the Employee had the Employee taken the leave at the time that it is cashed out; and
- (c) annual leave must not be cashed out if the cashing out would result in the Employee's remaining accrued entitlement to annual leave being less than four weeks.

**51.3** Subject to meeting the requirements outlined in this clause, an Employee may cash out annual leave more than once during the life of the Agreement.

## 52. Purchased Leave

- 52.1** An Employee may, with the agreement of the Employer, work less than 52 weeks per year. Access to this entitlement may only be granted on application from an Employee and cannot be required as a precondition for employment.
- 52.2** An Employee can only make an application under this clause where the Employee does not have an excessive annual leave accrual (as defined in **clause 50.6(b)(i)**).
- 52.3** Where an Employee, with an excessive annual leave accrual, wishes to make an application under this clause, the extent of the Employee's excessive annual leave accrual and any plans the Employee has to take some or all of their accrued annual leave entitlements in conjunction with any approved purchased leave arrangement, will be considered by the Employer in assessing the Employee's application for purchased leave.
- 52.4** Where the Employer and an Employee agree on an employment arrangement under **clause 52.1**, the annual salary applicable to an Employee relative to the additional leave purchased will be as follows:

**Table 24: Purchased Leave**

45/52 weeks	Additional 7 weeks' leave	11 weeks in total
46/52 weeks	Additional 6 weeks' leave	10 weeks in total

Proportion of annual salary applicable under Schedule C	Number of additional weeks of purchased leave	Total amount of leave (purchased and annual leave)
47/52 weeks	Additional 5 weeks' leave	9 weeks in total
48/52 weeks	Additional 4 weeks' leave	8 weeks in total
49/52 weeks	Additional 3 weeks' leave	7 weeks in total
50/52 weeks	Additional 2 weeks' leave	6 weeks in total
51/52 weeks	Additional 1 weeks' leave	5 weeks in total

- (a) The above does not preclude an Employee and the Employer from agreeing to a similar type of arrangement that would provide an Employee with additional converted leave of more than eight weeks.
- (b) The Employee will receive a salary equal to the period worked (e.g. 46 weeks, 49 weeks) which will be spread over a 52 week period.
- (c) The accrual of personal/carer's leave and long service leave by the Employee shall remain unchanged.

**52.5** The Employer will endeavour to accommodate Employee requests for arrangements under this clause subject to operational requirements. **52.6** An Employee may revert to ordinary 52 week employment by giving the Employer no less than four weeks' written notice. Where an Employee so reverts to 52 week employment, appropriate pro rata salary adjustments will be made.

### **54. Dangerous Medical Conditions**

**54.1** Where the Employer reasonably believes that the Employee is in such state of health as to render the Employee a danger to other Employees, themselves or other persons, the Employer may require the Employee to absent themselves from the workplace until the Employee obtains and provides to the Employer a report from a Registered Medical Practitioner. Subject to **clause 54.2(b)**, any absence under this clause must be taken as personal/carer's leave or leave without pay.

- 54.2** Upon receipt of a medical report confirming the Employee:

## 2. Science Grade and Value Range Descriptors

**Note:** The Science Grade and Value Range Descriptors are to be read in conjunction with the VPS Grade and Value Range Descriptors with which they align. The Science Descriptors set out work value statements to detail the work value characteristics of the science profession that are not captured in the VPS general descriptors. The first reference for job classification is the Science Grade and Value Range descriptors. Descriptors are not job descriptions, performance standards, and progression or selection criteria. Descriptors are considered on the basis of best fit to classify a job with regard to its work value. Some descriptors may apply and some descriptors may not apply for any given job. Job classification is based on a “whole of job” consideration, following comparison with the Grade and Value Range Descriptors.

## 20. Youth Justice Custodial Career Structure Classifications and Standard Descriptors

Jobs in this structure support the Department’s children, youth and families programs.

Child Protection and Youth Justice form part of the same service delivery system in Victoria. This is because they are both governed by the same legislation: The *Children, Youth and Families Act 2005 (Vic)* (The Act). The Act outlines its purposes as:

- to provide for community services to support children and families; and
- to provide for the protection of children and young persons; and
- to make provision in relation to children and young persons who have been charged with, or who have been found guilty of offences; and
- to continue the Children’s Court of Victoria as a specialist court dealing with matters relating to children.

The Act sets out the statutory roles of the Department in youth justice. A key role of these Employees is exercising legal delegations and functions pursuant to the Act and other related acts. A brief explanation of the youth justice program is provided below.

### Youth Justice Custodial Services

Youth Justice Custodial Centres accommodate young people aged 10 – 18 remanded and sentenced by the Criminal Division of the Children’s Court and some 18 – 21 year olds sentenced by the adult courts to Youth Justice Custodial Centres in Victoria. The centres operate within a framework that promotes the return of young people to the community at the completion of their custodial sentence with increased support and opportunities and reduced risk of re – offending.

Note: Youth Justice Grade and Value Range Descriptors reflected the underpinning work value anchors for the function. Where the descriptors reference the VPS Grade and Value Range descriptors, the Youth Justice descriptors are to be read in conjunction with them. The primary classification reference at Youth Justice Grade 5 is operational service delivery with the VPS Grade and Value Range descriptors serving as a framework for the other elements of work value. Use of the VPS Grade and Value Range descriptors in this manner for CP Grade 5 is unique to this occupational category.

**Note:** CPW4 who translated to the new CYF stream as CYF4 on 5 November 2012 were translated with salary maintenance. That is, for those existing staff who translated they have the ability to progress through to the top of the salary range as if the change had not occurred. This principle was also applied for YJW1 staff at Secure Care Services who transferred to the new CYF1 on 5 November 2012.

**Note:** a CYF supervisor will not be paid less than an Employee they supervise.

## 21. Child Protection Practitioner - Children, Youth & Families Stream – Classifications and Standard Descriptors

Jobs in this structure support some of the department's Youth Justice and Child Protection programs, as detailed below.

Youth Justice and Child Protection form part of the same service delivery system in Victoria. This is because they are both governed by the same legislation: The *Children, Youth and Families Act 2005* (Vic) (The Act – CYFA). The Act outlines its purposes as:

- to provide for community services to support children and families; and
- to provide for the protection of children; and
- to make provision in relation to children who have been charged with, or who have been found guilty of, offences; and
- to continue The Children's Court of Victoria as a specialist court dealing with matters relating to children.

The Act sets out the statutory roles of the Department in youth justice and child protection. A key role of these Employees is exercising legal delegations and functions pursuant to the Act and other related acts. A brief explanation of each of the programs is provided below.

### Youth Justice Community Based Programs

Within the legal mandate provided by the CYFA, community-based regional youth justice units:

- provide supervision to young people who have been sentenced and placed on community – based orders (10 – 18 year olds), and those who are paroled as part of their custodial sentence (10 – 20 year olds) and bail supervision
- provide information and advice to courts about young people
- advocate for service access and provision that will optimise the chances of young people on juvenile justice orders to continue their lives with reduced risks of re-offending. Each departmental region has a community-based youth justice unit.

### Child Protection Programs

#### Refugee Minor Program

Employees in this program provide support to children and young people who are humanitarian refugees referred by the Commonwealth department responsible for immigration. The legislation that pertains to refugee minors is the *Immigration (Guardianship of Children) Act 1946* (Cth).

Refugee minor workers:

**Victorian Public Service Enterprise Agreement 2024**  
**Appendix 4 – Department of Families, Fairness and Housing**

- exercise guardianship on behalf of the Commonwealth for children and young people in the program;
- assist children, young people and their carers to address their trauma and support needs.

**Family Information Networks and Discovery**

Employees in the Family Information Networks and Discovery:

- release confidential Victorian adoption and wardship information to adopted people and former wards, and their families in accordance with the *Adoption Act 1984* (Vic) and the *Freedom of Information Act 1982* (Vic)
- assist clients to locate and contact family members from whom they've been separated due to adoption and/or wardship, and
- provide clients with mediation, short-term counseling and referral services as appropriate.

**Inter-country Adoption Service**

Employees in the Inter-country Adoption Service assess potential adoptive parents and liaise with overseas agencies that match children with Victorian adoptive parents. Support and supervision are also provided to children from other countries placed with Victorian families under the *Adoption Act 1984* (Vic).

**Placement Prevention Services**

Placement Prevention Services provides specialist case management and support services to children and young people living at home or independently, who are at risk of significant harm or abuse, or statutory clients in need of additional case support, including:

- **Intensive Case Management** funds multidisciplinary, intensive case management and youth outreach services targeted at young people 12 to 18 years not in out of home care
- **Family Preservation Services** funds intensive, short-term service aimed at strengthening the ability of families to protect and care for their 'at risk' children, thereby avoiding the removal of the child, and
- **Innovative Support Services** funds region-specific models of support developed to meet the needs of clients.

**Placement Coordination Units and Placement and Support Services**

**Placement Coordination Units** are regionally based staff who co-ordinate placements of clients with funded community service organisations (CSOs), in liaison with the relevant child protection practitioner.

**Placement and Support Services** manage the relationship with the community service organisations (CSOs) for the provision of the various services

**Adoption and Permanent Care Teams**

Some regions have specialised Adoption and Permanent Care teams that provide case management and support to children and young people in their transition to a placement in long term out of home care. Permanent Care refers to an order under the Act that transfers legal guardianship from parents or the department

**Victorian Public Service Enterprise Agreement 2024**  
**Appendix 4 – Department of Families, Fairness and Housing**

to persons assessed as being suitable guardians. The role of Adoption and Permanent Care is to assess potential carers, seek appropriate placement, make an application for a Permanent Care Order to the Children’s Court and supervise such orders as required. In the context of Adoption, Adoption and Permanent Care teams assess potential adoptive parents, make applications to the County Court under the *Adoption Act 1984* (Vic), and provide support to children placed under this legislation.

**Quality of Care**

The Act – CYFA creates a shared mandate for the Department, community service organisations (CSOs) and out-of-home carers to act in the best interests of the child or young person regional quality of care coordinators coordinate a timely and effective response to quality of care concerns. The responsibilities of these coordinators include:

- regional coordination of investigation of quality of care concerns relating to home-based care, residential care and kinship care
- overseeing and participating in formal care reviews undertaken by relevant CSOs
- ensuring a robust process of the implementation of recommendations of investigations
- maintaining the regional quality of care tracking system and analysing regional quality of care data to identify themes and develop appropriate responses
- consolidating and strengthening a collaborative approach between Child Protection and CSOs in responding to quality of care concerns

**Residential Care Services**

The Department currently has one site that directly provides placements to clients under a therapeutic care model. This is Hurstbridge Farm.

**Secure Care Services**

Secure Care Services provide care to young people in a lock up facility. Employees provide direct care and support to young people placed in Secure Care under the Act. This involves assisting in the case planning process and transitioning of the young person to an appropriate placement. Secure Care placements are time limited (21 days with the option of another 21 days in exceptional circumstances). Secure Care placements are utilised when it is assessed that a young person poses a significant risk to themselves or others and short term containment is required. There are two Secure Care facilities in Victoria.

**Note:** Children, Youth and Families Stream (CYF) Grade and Value Range Descriptors reflects the underpinning work value anchors for the function. If the descriptors reference the VPS Grade and Value Range Descriptors, the Children, Youth and Families Stream (CYF) descriptors are to be read in conjunction with them.

The primary classification reference at Children, Youth and Families Stream is operational service delivery with the VPS Grade and Value range descriptors serving as a framework for the other elements of work value at CYF Grade 5 and CYF Grade 6.

## 23. Child Protection Practitioner – Child Protection Stream – Classifications and Standard Descriptors

Jobs in this structure support the Child Protection Program of the Department, excluding the child protection and youth justice programs detailed at **clause 21** of this Appendix – (Children Youth and Families (CYF) stream).

Broadly, Child Protection and Youth Justice programs form part of the same service delivery system in Victoria. This is because they are both governed by the same legislation: *Children, Youth and Families Act 2005 (Vic)* (The Act – CYFA). The Act outlines its purposes as:

- to provide for community services to support children and families; and
- to provide for the protection of children; and
- to make provision in relation to children who have been charged with, or who have been found guilty of, offences; and
- to continue the Children's Court of Victoria as a specialist court dealing with matters relating to children.

The Act sets out the statutory roles in child protection and youth justice. A key accountability of these Employees is exercising legal delegations and functions pursuant to the Act and other related acts.

A brief explanation of the Child Protection program is provided below.

### Child Protection

The Act provides the legislative mandate for the department to protect children and young people from abuse and neglect using best interest principles, decision-making principles, additional Aboriginal decision-making principles and Aboriginal child placement principles.

This mandate involves:

- receiving reports;
- conducting investigations;
- intervening if it is assessed that a child is in need of care and protection;
- taking matters before the Children's Court;
- supervising children on child protection orders;
- determining case plans (including stability plans, cultural plans and therapeutic treatment plans) for the safety and well being of children; and

**Victorian Public Service Enterprise Agreement 2024**  
**Appendix 4 – Department of Families, Fairness and Housing**

- delivering case practice and case management services for children and young people who are either living with family or in out of home care.

Within each of the regions the Child Protection program operates in four broad areas:

1. **Intake** – Employees provide advice, referral and accept reports (the majority by telephone) and determine the outcome of these reports
2. **Response** – Employees investigate those reports determined to require a protective investigation
3. **Case management**- Employees provide case management for children and young people who have been found to be in need of care and protection, either through investigative outcome with no court order, or investigative outcome with court order
4. **Case contracting** – Employees manage the statutory aspects for children and young people whose case management has been contracted to a Community Service Organisation.

**Note:** References to Child FIRST in these descriptors denotes a geographical boundary.

**Note:** Child Protection Practitioner (CPP) Grade and Value Range Descriptors reflect the underpinning work value anchors for the function. If the descriptors reference the VPS Grade and Value Range Descriptors, the Child Protection Practitioner (CPP) descriptors are to be read in conjunction with them. The Child Protection program does not currently have jobs in Grade 1 work value

  - (b)** Time spent travelling to or from a distant depot, camp, office or staging point (from where an Employee will receive deployment instructions) will count as time worked, however it will not attract payments under **clause 19 or 20 or 5.4**

## **16. Resumption of normal duties**

- 16.1** An Employee must not commence normal duty without having had 10 continuous hours off duty unless directed by the Employer.

**Victorian Public Service Enterprise Agreement 2024**  
**Appendix 6– Department of Energy, Environment and Climate Action**

- 16.2** Each Employee who has been engaged on emergency work will be entitled upon the cessation of such work, and prior to the resumption of normal duties, to a clear break of 10 hours without loss of pay for recognised working time occurring during such break.
- 16.3** Provided that an Employee who has been accommodated for at least 3 nights will be entitled to a clear break of 12 hours.
- 16.4** Provided further that this provision will not apply with respect to any emergency work commenced and completed between the hours of 7.00am and 5.00pm on the same day.
- 16.5** Prior to returning to normal duties after working for 1 or more consecutive nights, a minimum rest period of 1 full day is required.
- 16.6** The emergency response provisions of this Appendix cease to apply when, as determined by the Employer, emergency work becomes of a routine nature and integrated with normal daily operations.
- (a)** In the case of a bushfire, this would occur only after an emergency has reached at least “Under Control 2” bushfire status as defined in **clause 23.9(f)**
  - (b)** In the case of Planned Burning, this would occur only after the Planned Burn has reached at least “Under Control 2” status as defined in **clause 23.9(g)**.
  - (c)** In the case of Non-Fire Emergencies, these provisions cease to apply when released from the Emergency Shift or when, as determined by the Employer, emergency work becomes of a routine nature and integrated with normal daily operations.

**17. Rest periods for deployments between emergency duties**

- 17.1** A rest period of 2 full days (a minimum of 48 hours) is required between deployments comprising 7 consecutive days (including travel time) or 4 consecutive nights (plus 2 days travel time).

- 17.6** Where these days fall on a Public Holiday, the Employee will not receive additional time off but will receive a normal day's pay for the Public Holiday.
- 17.7** Where an Employee travels for 2 hours or less from the base camp to their home depot at the conclusion of a tour of duty, the day of travel will be considered a day's break in accordance with **clauses 17.1** and **17.2** above.
- 17.8** When personnel on a 7-day emergency deployment or a 4-night emergency deployment in a field-based role experience sustained physically taxing conditions the employer will provide an additional rest day after the deployment in addition to the two days provided under **17.1**.
- 17.9** For the purposes of **17.8**:
- (a)** 'sustained physically taxing conditions' will be assessed taking into account heat, shift length, proportion of time working remotely away from vehicles, and the impact of conditions on the quality of sleep while on deployment; and

- 21.3** For clarification, to be deemed available, an Employee must be able to be deployed to fulfil an Emergency role for fire and emergency readiness and response or planned burning on request for a minimum of 25 days per financial year, to be calculated pro-rata for Part-Time Employees. The 25 days may comprise any combination of the following:

- 22.3** To ensure staff working on fire and emergency response are duly compensated for this work, the rate for overtime cap, outlined in **clause 22.1**, will be 4.1.2 for any tasks in relation to fire or emergency response as outlined in **clause 23**.

## **23. Definitions**

- 23.1** **Fire Sector** means a defined section of the control line being used to contain a bushfire or being constructed to control a bushfire or being constructed as a backup to other lines being used to control the bushfire.
- 23.2** **Planned Burn** means the controlled application of fire to a defined area of land conducted in accordance with an approved burn plan to meet specified management objectives.
- 23.3** **Emergency Sector** means any emergency response work conducted primarily in the field under an AIIMS or BIMS structures or similar, or any other emergency management structure which differentiates the work from normal business.
- 23.4** **Duty Officer** includes District Duty Officer, Regional Agency Commander, Regional Controller, State Agency Commander or other role determined by the Secretary or appropriate delegate.
- 23.5** **Emergency** means an event which endangers or threatens to endanger the safety or health of any person in Victoria or which destroys or damages, or threatens to destroy or damage, any property in Victoria or endangers or threatens to endanger the environment or an element of the environment in Victoria including, without limiting the generality of the foregoing:
  - (a)** an earthquake, flood, wind storm or other natural event; and

- (b) a fire; and
  - (c) an explosion; and
  - (d) a road accident or any other accident; and

  - (h) a disruption to an essential service;
- 23.6 Emergency Shift** means a single continuous time period deployed to an Emergency under the AIIMS structure or other emergency as defined by the Employer until stood down or released with an appropriate rest break.
- 23.7 Deployment** means a consecutive series of Emergency Shifts with appropriate rest breaks in between.
- 23.8 Bushfire** means an unplanned and uncontrolled fire where suppression action must be initiated, or a major breakaway from a planned fire requiring additional resources to that scheduled for the operation.
- 23.9 Bushfire** status means the categorisation of a bushfire into one of the following definitions:
- (a) **Going** – Fire is expanding in certain directions. There is reasonable evidence (a smoke sighting, a report has been received from the public) to suggest that a fire exists and is expanding.
  - (b) **Ignition** (Planned Burn status) – A Burns Controller has approved the ignition of a Planned Burn and lighting of the planned area has commenced.
  - (c) **Contained** – Indicates that the spread of the fire is halted even though it may still be burning within the perimeter or control lines. Such a fire may still require continuous suppression action (e.g. completion of fire control lines) before it is ‘under control’ to bring about a ‘controlled’ situation (status = ‘Under Control 1’).
  - (d) **Under Control 1** (fire incident status) – The complete perimeter of the fire is secured, no breakaway is expected and continuous patrol/mopping up is still required.
  - (e) **Under Control 1** (Planned Burn status) – The complete perimeter of the planned area of the burn is secured and no break away is expected. Continuous patrol and mopping up work is required. Fuels are not burning freely within the planned area.
  - (f) **Under Control 2** (fire incident status) – The complete perimeter of the fire is secured, and no breakaway is expected. Control line quality or depth is such that only patrol is required. In most circumstances this status will mean reversion to non-emergency provisions in industrial awards.
  - (g) **Under Control 2** (Planned Burn status) – The complete perimeter of the fire is secured and no breakaway is expected. Control line quality or depth is such that

only patrol is required. Only routine patrol and occasional mopping up work is required.

**(h) Safe** – The stage of fire suppression or Planned Burning when it is considered that no further suppression action or patrols are necessary.

## **24. Rosters**

**24.1** A standard approach to rostering for bushfire and/or Planned Burning is to be adopted across the state.

**24.2** Rosters are to be prepared in draft by 1 July each year, including expected participants' names and provisional roles. Affected Employees will be provided with the opportunity to comment on the roster prior to it being finalised. Final rosters are to be published in full by 1 September each year. Where Employees commence or become available after the finalisation of the roster, it may be updated accordingly.

**(b)** Cessation date of roster

**(c)** Rostered roles

**(d)** Application of the roster (i.e. weekdays, weekends and/or after hours)

**(e)** Whether the roster includes deployments away from their usual place of work.

**24.4** Employees shall be notified of the commencement of the roster at least two weeks in advance.

**24.5** Once finalised, the roster may be amended following written consultation with and written agreement of affected Employee/s.

**24.6** Once the roster is commenced by the Employer, Employees will be paid all allowances (stand-by payment and other) until the cessation date of the roster as determined by the Employer.

- 26.2 During the life of this Agreement the Employer, in consultation with the CPSU and Employees, may review the application of definitions that apply to eligibility, and classification of Employees in receipt of additional superannuation contributions.
- 26.3 The parties acknowledge that the intent of clause 26 of Appendix 6 was to offer enhanced superannuation benefits to employees engaged in fire response and planned burning activities who are not in defined benefit superannuation schemes. Increases in the SGL have resulted in the absorption of this entitlement.
- 26.4 The parties to this agreement commit to establishing a working group within 1 month of the agreement being approved by FWC to work jointly to develop options which may achieve maintenance of enhanced superannuation for this group.
- 26.5 The Working Party may include other interested and impacted parties by agreement.

An operational role is defined as a role which undertakes direct bushfire suppression or planned burning or has direct accountability for decision-making related to the supervision, welfare, safety and performance of those who undertake these activities. This includes the following categories:

- (c)** Firefighting roles that include fireground roles, specific level three incident management team (IMT) roles and tactical aviation roles

**26.11 Implementation**

- (a)** Employees classified as operational will receive their superannuation payments fortnightly in accordance with their salary payments.
- (b)** Employees classified as non-operational, who receive additional superannuation for nominated duties only, will receive those additional superannuation payments no later than quarterly.
- (c)** If an employee classified as Operational is unable to undertake a fire role or planned burning role due to an injury sustained at work, they are still entitled to additional superannuation payments based on their pre-injury eligibility for 12 months from the date of injury.

- (d) Employees with an Operational role who take parental leave will continue to receive the increased Superannuation rate on all eligible earnings (including any approved parental leave payments from DEECA). On their return to work, employees will continue to receive increased Superannuation payments for a period of two years from their return date (or until the necessary medical, fitness and competency requirements are met). After this period, and if the relevant medical, fitness and competency requirements are not met, additional superannuation payments will no longer be received.

Each subsequent hour of Overtime and/or Standby undertaken will accrue an additional 0.25 hours of Fatigue Management Leave.
- (d) Fatigue Management Leave will be capped at 10.0 days (76.0 hours) for each Fatigue Management Leave Period.

Where a first meal is provided at the accommodation site the shift time starts upon commencement of travel to the emergency event or planned burn after the first meal.

**30.2** Where an end of shift meal is not provided at or near the accommodation site, the shift time concludes after the employee has been provided their end of shift meal, arrives at the accommodation site and has access to accommodation. #### **13. Full-Time and Part-Time MTOs employed as of 1 May 2024.**

**13.1** **Clause 13** applies to all Full-Time and Part-Time MTOs who are employed by the Department of Government Services as of 1 May 2024.

**13.2** Eligible MTOs are guaranteed minimum fortnightly earnings as set out in **Table 122** below:

**Victorian Public Service Enterprise Agreement 2024**  
**Appendix 7 – Ministerial Transport Officers**

- (a) Allowances, Gratuities, and the Top of Grade Or Value Range Payment under **clause 31**, will not be regarded as part of fortnightly earnings for the purposes of determining whether the Employee has been paid the Guaranteed Minimum Fortnightly Earnings under the terms of this Appendix.
- (b) Part-Time MTOs shall have their *Guaranteed Minimum Fortnightly Earnings* pro-rated in accordance with their part-time ordinary hours of work.

**13.3** To give effect to **clause 13.2** above, the following will be performed on a fortnightly basis:

- (a) All eligible MTOs will receive a Retention Allowance.
  - (i) The amount of the Retention allowance will be the difference between the applicable Guaranteed Minimum Fortnightly Earnings at **clause 13.2** and the fortnightly equivalent of the applicable annual salary at **clause 12**.
- (b) Overtime earnings that are more than the Retention Allowance will be reduced by the amount of the Retention Allowance.
- (c) Overtime earnings that are equal to or less than the Retention Allowance will be reduced entirely.

**13.4** To avoid the unlikely event that an individual MTO's work pattern in a particular fortnight is such that an eligible MTO would have been entitled to greater fortnightly earnings under the terms of the 2020 Agreement compared to this Appendix, the Employer will complete a reconciliation against the terms of *Appendix 7 of the Victorian Public Service Enterprise Agreement 2020 (2020 Appendix)*, to ensure the Employee received greater fortnightly earnings under this Appendix as compared to the terms of the 2020 Appendix.

- (a) Where the reconciliation provided for under **clause 13.2** shows the Employee would have received greater fortnightly earnings for the total fortnightly hours worked in a particular fortnight under the 2020 Appendix, the Employee is entitled to be paid the difference between the total fortnightly amount received under this Appendix and the total fortnightly amount that would have been paid for that particular fortnight had it been worked under the 2020 Appendix. This difference will be paid as overtime earnings.
- (b) The reference to the 2020 Appendix term in this Agreement is made for the purposes of establishing baseline for the above reconciliation process. The terms of the 2020 Appendix do not form part of this Agreement.

## Appendix 8 Victoria Police

### Part 1 General

#### 1. Allowances

Eligibility and amounts for reimbursement for travel, meal and relocation expenses will be consistent with those applied to sworn employees of Victoria Police, as set out in the relevant Victoria Police guideline, as amended from time to time. However, the Victoria Police guideline is not incorporated into this Agreement.

Note: the guideline contains the relevant travel, meal and relocation expenses applied to sworn employees of Victoria Police derived from the *Victoria Police (Police Officers, Protective Services Officers, Police Reservists and Police Recruits) Enterprise Agreement 2019 (Sworn Agreement)*. Victoria Police will only amend the guideline to ensure it reflects the terms of the Sworn Agreement as amended or replaced from time to time.

#### 2. Commuted Allowance

Commuted allowances agreed on a case-by-case basis with the Employee concerned and/or the relevant Union may be paid in substitution for allowances provided for elsewhere in this Agreement, in circumstances where the requirements of the relevant work unit result in members working overtime and/or on-call. An Employee must not receive less as a commuted allowance over the period that the commuted allowance is paid, than the Employee would have received had the allowance(s) being commuted been paid over that period.

#### 3. Managing Welfare

Victoria Police is committed to ensure the welfare of its Employees and encourage open conversation between management and employees following exposure to a significant or critical incident. In the event an Employee is exposed to a significant or critical incident, the Employer may release the Employee (one day per occasion without loss of pay) to enable recovery or access to Victoria Police support services from exposure of the incident.

#### 4. Wellbeing

4.1 For the purposes of this clause, the terms 'gymnasium' and 'exercise facilities' include all gymnasiums and exercise facilities at Victoria Police Stations (where they exist), the Victoria Police Centre and the Police Academy.

4.2 Victoria Police Employees may seek access to and utilise Victoria Police gymnasiums and exercise facilities.

- 4.3** Access to Victoria Police gymnasiums and exercise facilities (including exercise classes provided for at the Victoria Police Centre, if and when available), are not limited to the Employee’s workplace. Gymnasium and exercise facilities closer to the Employee’s place of residence and other locations convenient to them are also accessible.
- 4.4** For clarity, the Employer reserves the right to reasonably limit and control access to any gymnasium and exercise facilities at its discretion. For example, where facilities are subject to high demands, the Employer may need to reasonably limit access at peak periods on workplace health and safety grounds.

## 9. Forensic Officer Work Level Descriptors

### Definitions:

- A Forensic Officer’s primary purpose is the application of relevant qualifications, training and experience to aid the investigation of, and assist with criminal, coronial and civil matters in a recognised forensic discipline.
- A recognised forensic discipline is one that has been accepted by the Court as an area in which a qualified practitioner is permitted to give evidence.
- The context of the role will vary but may include:
  - Undertaking forensic case work
  - Provision of evidence in court
  - Development of specialised information technology functions
  - Maintenance of quality management systems
  - Undertaking research and development

### Preamble:

- The work level descriptors do not provide an exhaustive list of duties, but rather they are a general description of how a position fits into the overall organisation. Specific duties and qualifications are detailed in the individual position descriptions.
- The descriptors represent a philosophical approach which reflects the knowledge and skill set for each level of work. Positions at each work level will comprise an aggregation of tasks which have been assessed as at equal work value.
- Not all elements of each work level are required to satisfy the requirements of the level but should be considered “on balance”, on the basis of best fit to describe the work.
- The development of skills is considered to be progressive and therefore skills that are referred to in the narrative for the previous level are assumed to be part of the skill set for the higher level.
- The descriptors can also serve as a tool for managers to determine appropriate developmental opportunities for staff in line with the principles of succession planning.

## Part 8 Custodial Nurses

### 18. General

- 18.1** This **Part 8** applies to Custodial Nurses. Custodial Nurses are defined as nurses employed in Custodial Health Services, State Emergencies and Support Command (or the equivalent as described from time to time).
- 18.2** The core terms and conditions of employment for Custodial Nurses will be in accordance with **Section I** of this Agreement except as follows.

### 19. Shift Allowances (Saturday, Sunday, public holiday and night shifts)

- 19.1** Where a Custodial Nurse works a five-or-seven-hour shift, **clause 43.2(d)** of **Section I** of this Agreement should be applied.
- 19.2** Where a Custodial Nurse works a 12-hour shift, the below clause applies in lieu of **clause 43.2(d)**.
- (a)** For the purpose of this clause “part of a shift” means that period on a Saturday, Sunday or public holiday from:
- (i)** Midnight to completion of shift; or
  - (ii)** Commencement of shift to midnight.
- (b)** A Custodial Nurse is entitled to be paid:
- (i)** The appropriate shift allowance for a Saturday, Sunday or public holiday (as applicable) as prescribed in **clause 43.2(a)** of **Section I** of this Agreement for each hour worked on that part of a shift that falls on the Saturday, Sunday or public holiday; and
  - (ii)** The appropriate shift allowance for each hour worked on that part of a shift that does not fall on the Saturday, Sunday or public holiday.
- (c)** Custodial Nurses are entitled to the shift allowances set out in **clause 43.2** of **Section I** of this Agreement, except that Custodial Nurses are not entitled to the 50% allowance plus one day leave in lieu of work performed on a public holiday.

**Victorian Public Service Enterprise Agreement 2024**  
**Appendix 8 – Victoria Police**

For clarity, this means that Custodial Nurses who perform part of a night shift on a public holiday are entitled to the 150% allowance for each hour worked on the public holiday. This rule also applies if both parts of a night shift performed by a Custodial Nurse fall on public holidays.

*Example:*

An employee is rostered to work from 19:00 to 07:30 with the shift commencing on a Sunday. The hours worked between 19:00 to 24:00 will be paid at the applicable Sunday rate. For hours worked between 24:00 and 07:30 on the Monday, each hour attracts the relevant Monday shift allowance.

*Example:*

An employee is rostered to work from 19:00 to 07:30 with the shift commencing on a public holiday (i.e. Tuesday). The hours worked between 19:00 to 24:00 will be paid at the applicable public holiday rate of 150%. For hours worked between 24:00 and 07:30 on the non-public holiday (i.e. Wednesday), each hour attracts the relevant shift allowance (i.e. Wednesday shift allowance).

*Example:*

An employee is rostered to work from 19:00 to 07:30 with the shift commencing on Christmas Day and finishing on Boxing Day. As both parts of the night shift are performed on public holidays, all hours worked during the whole shift will be paid at the applicable public holiday rate of 150%.

## **20. Daylight Saving**

See also **clause 46**(Overtime)

- 20.1** Despite the overtime provisions of this Agreement, if a Custodial Nurse works on a shift during which time changes because of the introduction of, or cessation to, daylight saving, that Custodial Nurse will be paid for the actual hours worked at the ordinary time rate of pay.

*Example:*

A Custodial Nurse is rostered to work a twelve hour night shift from 19:00 through to 07:30 (including a 30 minute paid meal break). During the course of this shift, the clock is wound forward one hour due to the commencement of daylight saving.

The Custodial Nurse therefore works eleven hours. The Custodial Nurse is paid for eleven hours at their ordinary time rate of pay (including any shift penalties or allowances ordinarily payable in respect of this shift).

*Example:*

A Custodial Nurse is rostered to work a twelve hour night shift from 19:00 through to 07.30 (including a 30 minute paid meal break). During the course of this shift, the clock is wound back one hour due to the cessation of daylight saving.

The Custodial Nurse therefore works thirteen hours. The Custodial Nurse is paid for thirteen hours at their ordinary time rate of pay (including any shift penalties or allowances ordinarily payable in respect of this shift). No overtime is paid for the additional hour worked.

- 20.2** For the purpose of calculating accrued days off, Custodial Nurses who work on a shift during which time changes because of the introduction of, or cessation to, daylight saving, will be taken to have worked the standard hours for a night shift in accordance with the roster.

## **21. Qualification Allowance**

### **21.1 Entitlement**

Subject to **clause 21.2** below, a Custodial Nurse is entitled to a qualification allowance, if they have a:

### **21.2 Eligibility**

Custodial Nurses in receipt of a 20% retention allowance are not entitled to the qualification allowance.

### **21.3 One Qualification Allowance Only**

A Custodial Nurse holding more than one qualification is entitled to one qualification allowance only, being the allowance for the highest qualification held.

### **21.4 Evidence**

A Custodial Nurse claiming entitlement to a qualification allowance must provide to the Employer evidence of the relevant qualification for which the entitlement is claimed.

A Custodial Nurse will meet the evidence requirements when they have provided the Employer with evidence from the education / training provider that would satisfy a reasonable person that the Custodial Nurse has obtained the qualification for which the allowance is claimed, for example:

- (a)** the award of the qualification; or
- (b)** the certificate of the qualification.

### **21.5 Rates for Qualification Allowances**

A Custodial Nurse entitled to a qualification allowance under this clause will be paid, in addition to their base salary, as follows:

- (a)** 4.0% of the employee's base rate of pay for a Graduate Certificate;
- (b)** 6.5% of the employee's base rate of pay for a Postgraduate Diploma, Degree or a Double Degree;
- (c)** 7.5% of the employee's base rate of pay for a Masters; or

(d) 10% of the employee's base rate of pay – for a Doctorate or a PhD.

**21.6 Pro rata entitlement**

The allowance is to be paid on a pro-rata basis for part-time and casual employees.

## **Part 9 Aboriginal and Community Liaison Officers**

### **22. Aboriginal and Community Liaison Officers**

- 22.1** Victoria Police recognise the cultural and linguistic diversity of Community Liaison Officers and Aboriginal Community Liaison Officers across the network. **2.2** Where **clause 2.1** is not possible, the following applies:

**(a)** Where the Employee is required to attend at court at a predetermined time, that time will be paid as overtime in accordance with **clause 46, Section I** of this Agreement.

**(b)** Where the Employee is not required to attend at court at a predetermined time, but must remain on stand-by for attendance, for each day or part thereof that an Employee is required to be available, payment of the 'per night' stand-by allowance in accordance with **clause 39.5, Section I** of this Agreement will be made. ## 27A. Workplace delegates' rights

[27A inserted by [PR774865](#) from 01Jul24]

**27A.1** Clause 27A provides for the exercise of the rights of workplace delegates set out in section 350C of the [Act](#).

NOTE: Under section 350C(4) of the [Act](#), the employer is taken to have afforded a workplace delegate the rights mentioned in section 350C(3) if the employer has complied with clause 27A.

**27A.2** In clause 27A:

- (a) **employer** means the employer of the workplace delegate;
- (b) **delegate's organisation** means the employee organisation in accordance with the rules of which the workplace delegate was appointed or elected; and
- (c) **eligible employees** means members and persons eligible to be members of the delegate's organisation who are employed by the employer in the enterprise.

**27A.3** Before exercising entitlements under clause 27A, a workplace delegate must give the employer written notice of their appointment or election as a workplace delegate. If requested, the workplace delegate must provide the employer with evidence that would satisfy a reasonable person of their appointment or election.

**27A.4** An employee who ceases to be a workplace delegate must give written notice to the employer within 14 days.

### **27A.5 Right of representation**

A workplace delegate may represent the industrial interests of eligible employees who wish to be represented by the workplace delegate in matters including:

- (a) consultation about major workplace change;
- (b) consultation about changes to rosters or hours of work;
- (c) resolution of disputes;
- (d) disciplinary processes;
- (e) enterprise bargaining where the workplace delegate has been appointed as a bargaining representative under section 176 of the [Act](#) or is assisting the delegate's organisation with enterprise bargaining; and
- (f) any process or procedure within an award, enterprise agreement or policy of the employer under which eligible employees are entitled to be represented and which concerns their industrial interests.

### **27A.6 Entitlement to reasonable communication**

- (a) A workplace delegate may communicate with eligible employees for the purpose of representing their industrial interests under clause 27A.5. This

### Victorian Public Service Award 2016

includes discussing membership of the delegate's organisation and representation with eligible employees.

- (b) A workplace delegate may communicate with eligible employees during working hours or work breaks, or before or after work.

#### **27A.7 Entitlement to reasonable access to the workplace and workplace facilities**

- (a) The employer must provide a workplace delegate with access to or use of the following workplace facilities:
  - (i) a room or area to hold discussions that is fit for purpose, private and accessible by the workplace delegate and eligible employees;
  - (ii) a physical or electronic noticeboard;
  - (iii) electronic means of communication ordinarily used in the workplace by the employer to communicate with eligible employees and by eligible employees to communicate with each other, including access to Wi-Fi;
  - (iv) a lockable filing cabinet or other secure document storage area; and
  - (v) office facilities and equipment including printers, scanners and photocopiers.
- (b) The employer is not required to provide access to or use of a workplace facility under clause 27A.7(a) if:
  - (i) the workplace does not have the facility;
  - (ii) due to operational requirements, it is impractical to provide access to or use of the facility at the time or in the manner it is sought; or
  - (iii) the employer does not have access to the facility at the enterprise and is unable to obtain access after taking reasonable steps.

#### **27A.8 Entitlement to reasonable access to training**

Unless the employer is a small business employer, the employer must provide a workplace delegate with access to up to 5 days of paid time during normal working hours for initial training and at least one day each subsequent year, to attend training related to representation of the industrial interests of eligible employees, subject to the following conditions:

- (a) In each year commencing 1 July, the employer is not required to provide access to paid time for training to more than one workplace delegate per 50 eligible employees.
- (b) The number of eligible employees will be determined on the day a delegate requests paid time to attend training, as the number of eligible employees who are:
  - (i) full-time or part-time employees; or
  - (ii) regular casual employees.

### Victorian Public Service Award 2016

- (c) Payment for a day of paid time during normal working hours is payment of the amount the workplace delegate would have been paid for the hours the workplace delegate would have been rostered or required to work on that day if the delegate had not been absent from work to attend the training.
- (d) The workplace delegate must give the employer not less than 5 weeks' notice (unless the employer and delegate agree to a shorter period of notice) of the dates, subject matter, the daily start and finish times of the training, and the name of the training provider.
- (e) If requested by the employer, the workplace delegate must provide the employer with an outline of the training content.
- (f) The employer must advise the workplace delegate not less than 2 weeks from the day on which the training is scheduled to commence, whether the workplace delegate's access to paid time during normal working hours to attend the training has been approved. Such approval must not be unreasonably withheld.
- (g) The workplace delegate must, within 7 days after the day on which the training ends, provide the employer with evidence that would satisfy a reasonable person of their attendance at the training.

#### **27A.9 Exercise of entitlements under clause 27A**

- (a) A workplace delegate's entitlements under clause 27A are subject to the conditions that the workplace delegate must, when exercising those entitlements:
  - (i) comply with their duties and obligations as an employee;
  - (ii) comply with the reasonable policies and procedures of the employer, including reasonable codes of conduct and requirements in relation to occupational health and safety and acceptable use of ICT resources;
  - (iii) not hinder, obstruct or prevent the normal performance of work; and
  - (iv) not hinder, obstruct or prevent eligible employees exercising their rights to freedom of association.
- (b) Clause 27A does not require the employer to provide a workplace delegate with access to electronic means of communication in a way that provides individual contact details for eligible employees.
- (c) Clause 27A does not require an eligible employee to be represented by a workplace delegate without the employee's agreement.

NOTE: Under section 350A of the [Act](#), the employer must not:

- (a) unreasonably fail or refuse to deal with a workplace delegate; or
- (b) knowingly or recklessly make a false or misleading representation to a workplace delegate; or
- (c) unreasonably hinder, obstruct or prevent the exercise of the rights of a workplace delegate under the [Act](#) or clause 27A.

**Victorian Public Service Award 2016**

**27A.10 Interaction with other clauses of this award**

Other clauses of this award may give additional or more favourable entitlements to workplace delegates (however described). If an entitlement of a workplace delegate under another clause of this award is more favourable to the delegate than an entitlement under clause 27A, the entitlement under the other clause applies instead of the entitlement under clause 27A.
